## 1. Introduction by the Head Teacher

On behalf of all in St. Hilary's Primary, I welcome you and your child to our school. This handbook contains a range of information about the school itself and about various aspects of primary education. I hope that you will find it useful and informative.

In St. Hilary's Primary, every member of staff works as a team to help make sure that pupils and families enjoy being part of our school. St Hilary's Primary School is a nurturing, dynamic and engaging place for children to learn. We promote positive relationships at every level within the school and foster an ethos that encourages all pupils to respect themselves and others.

We are committed to the development of the whole child by ensuring that children are safe, happy, and ready to learn while being well supported. We are an inclusive school and strive to meet the needs of all learners to ensure they can reach their potential.

Our values are based on the Gospel values and the school effectively promotes the spiritual development of all members of the school community through its links with the school chaplains, local parishes and regular opportunities for religious observance.

St. Hilary's is served by the priest of both St. Leonard's and St. Bride's Parishes within the St. Leonard's district of East Kilbride.

### Our School Patron:

St. Hilary was born in Poitiers, France. He was chosen as a Bishop in the year 353. He recommended that we begin each day by offering all our actions to God and to have the simplicity of little children. St. Hilary was a great guardian of the truth and as a result suffered exile and died in the Year 369

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council's Plan Connect sets out the Council's vision which is, "to improve the lives and prospects for everyone in South Lanarkshire".

For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families, and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people. This is available at [Education Resources Plan 2025/26](#)

## **WELCOME TO**

### **3. School Ethos**

St. Hilary's Primary has a very warm and welcoming ethos. The staff, pupils, parents and everyone associated with the St. Hilary's community takes great pride in their successful, popular and inclusive school. Our aim is simple: to provide children with a learning environment where everyone is safe, secure and happy to ensure that all pupils maximise their opportunities to achieve to their maximum potential. We aim to provide opportunities which will enhance and enrich our pupils' lives.

#### **Our School Motto** **Dream Believe Achieve**

We have clear expectations and everyone within our school knows our school rules which are summarised in three words:

**RESPECTFUL**  
**SAFE**  
**KIND**

#### **Our School Values**

Respectful - Positive interactions with everyone within the school

Inclusive – Including everyone and supporting each other

Successful – Trying our best to achieve and be proud

Fair – Treated everyone the same and recognising rules

Achievements are celebrated throughout the school and showcased at whole-school assemblies and on a secure social media platform. As a Catholic School, we offer our children a learning environment which is conducive to spiritual growth and which is characterised by mutual respect and gospel values.

The Catholic Church's commitment to the importance of education is founded on the Christian belief of the importance of each person's talents and capacities being developed to their full potential throughout life.

We aspire to meet all the demands of The Charter for Catholic Schools, in particular:  
“... a commitment to the integrated education and formation of the whole person.”  
“.... Working in close partnership with parents as the first educators of their children”,  
And of course, “the pursuit of excellence through the development of each young person's unique God-given talents”.

## 5. Attendance

### Encouraging School Attendance

We believe that regular school attendance is key to raising attainment and achievement. It's a shared responsibility among parents/carers and the school to emphasise the importance of attending school.

For your convenience, school holiday dates and in-service dates can be found on the council's website: [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk).

Every effort should be made to ensure that your child attends school during term time. Please contact the school as soon as possible if your child is unable to attend school. It is important for the school to work with parents/carers in encouraging children to attend school. All absences are required by law to be recorded. Absences will normally fall under two categories – authorised or unauthorised absence. In cases where your child is unable to attend school parents are asked to telephone or email the school before 9.30am if possible.

If you know they have a hospital/dental appointment, please let us know in advance by email or telephone.

Requests for your child to be absent from school to make an extended visit to relatives either in the UK or overseas must be made in writing to the head teacher, detailing the reason, destination and duration of absence and arrangements for their continuing education. On these occasions the pupil will be marked as an unauthorised absence.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register. (See section 7).

### Information on emergencies

#### Emergency Information

We strive to keep the school open during term-time. However, there may be instances such as severe weather or power failures that could affect the school day. In such cases, we will inform you as soon as possible through text messages and our social media channels.

### **Severe Weather Protocol**

In the event of severe weather like snow or heavy frost, if the school cannot open at the usual time, we will delay the start until 10 am. Notifications will be posted on social media and the council's website.

### **Communication**

The Council's website, [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk), will provide updates on school closures or delays including further information about the next school day.

### **Things we need you to do:**

- It is important for parents/carers to let the school know of any change to your mobile/home phone number and change of address.
- If for any reason, you are unsure if the school is open visit the website at [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk) or email: [education@southlanarkshire.gov.uk](mailto:education@southlanarkshire.gov.uk)

## **6. Parental involvement/Parent Council**

Parents and carers play a vital role in their child's learning. Research shows that when families are involved, children do better at school and beyond. South Lanarkshire Council values parents as partners and works closely with schools to make this happen.

### **Why Parental Involvement Matters**

- Strong partnerships help schools understand children's needs and help parents feel informed and supported.
- Parents can reinforce learning at home, making schoolwork more meaningful and connected to everyday life
- Parental involvement can help children develop a love of learning and resilience when facing challenges
- When parents work with school and take an interest in learning, children often achieve more academically and feel more confident.

### **Our Commitment**

We want parents and carers to:

- Feel welcome and involved in school life.
- Be well informed about their child's learning.
- Have opportunities to support learning at home.
- Share views and take part in discussions about education.

### **Parent Forum and Parent Council**

- Every parent with a child at school is part of the Parent Forum.
- Each school has a Parent Council, a formal group that represents parents' views and works with the school to improve learning and experiences.

### **Connect – Supporting Parent Councils**

All Parent Councils in South Lanarkshire are members of Connect, Scotland's national organisation for parent groups. Connect offers:

- Free training and advice for Parent Councils.
- Resources and guides to help parents support learning.
- Insurance cover for Parent Council activities. Find out more at <https://www.connect.scot>.

### **Getting Involved**

Interested in joining the Parent Council or helping in school? Contact your school office or visit the Council website for details.

## **7. The Curriculum**

Curriculum for Excellence is the name given to the curriculum in Scotland for all children and young people aged 3-18. It is forward looking, coherent, flexible and an enriched curriculum that provides young people with opportunities to engage with the knowledge, skills and attributes they will need to flourish in life, learning and work.

The curriculum places learners at the heart of education and at its centre are four fundamental capacities - successful learners, confident individuals, responsible citizens, and effective contributors. It includes all of the experiences that are planned for children and young people to support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery, and school.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enrich the curriculum, to provide the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curricular areas are as follows:

- Expressive arts
- Languages and literacy
- Health and wellbeing
- Mathematics and numeracy
- Religious and moral education
- Science
- Social studies
- Technologies

If you want to know more about Curriculum for Excellence, please visit [Scotland's Curriculum for Excellence \(scotlandscurriculum.scot\)](https://scotlandscurriculum.scot/)

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

<b>Level</b>	<b>Stage</b>
Early	The pre-school years and Primary 1 or later for some.
First	To the end of Primary 4, but earlier or later for some.
Second	To the end of Primary 7, but earlier or later for some.

### **Spiritual, social, moral, and cultural values (religious observance)**

The religious education curriculum in all Catholic schools is determined by the Church authorities. In St. Hilary's school we follow the guidelines given by The Diocese of Motherwell and the Diocesan RE Advisers.

Our RE programme offers a systematic presentation of the Christian event, message and way of life in ways appropriate to the age and stage of development of the child. The RE Programme provides the opportunity for celebration, prayer and reflection in implicit and explicit ways. Preparation for the Sacraments of Reconciliation, First Communion and Confirmation are effectively implemented at the appropriate stages in the child's development.

The RE Programme also provides the children with the language of religious experience, whereby they can explore their faith and the faith of others within the terms of their own understanding.

All of the above is taught through *This Is Our Faith* and *God's Loving Plan* programmes of study for P1-P7. These are the programmes approved by the Bishops of Scotland for Catholic Primary Schools.

Father Dominic and Father McGachey are our parish priests. As well as visiting classes they celebrate Mass in the school, helping the children to express, develop and deepen the faith that has been explored in the RE programme.

Our RE programme plays a vital role in our policy of ensuring that all pupils, irrespective of belief, race, culture, class, gender and disability are provided with an education which allows them to develop their full potential.

In our RE programme we promote and foster positive values such as respect, love, tolerance, understanding and fairness. At the same time we strive to identify and combat stereotyping, racism and all forms of discrimination wherever they occur.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register.

### **For Roman Catholic Schools**

In a letter of guidance issued by the Scottish Government in February 2011, it is acknowledged that Catholic schools take a distinctive approach to the provision of Religious Observance:

Scottish Government Ministers welcome the tradition that, in Roman Catholic denominational schools, Catholic Liturgy will largely shape the nature and frequency of religious observance activities in the classroom and in the wider school community. So, at times, children and young people will be invited to participate in, and sometimes to lead, prayer and reflection in classrooms and at assemblies.

At other times, to honour particular occasions or feasts, chaplains will lead school communities in the celebration of Mass and other forms of liturgical celebration.

## **8.Assessment and tracking progress**

We want to share with you on how your child's learning is progressing. In St. Hilary's Primary School, we are committed to developing and implementing effective assessment and tracking strategies in order to ensure that our curriculum is designed and delivered in a manner which ensures the highest quality of learning and teaching experiences for our pupils.

We have based our core curricular experiences on Curriculum for Excellence principles of curricular design in order to provide challenge and enjoyment, breadth, progression, depth, personalization and choice, coherence and relevance. Our assessment strategies ensure that we apply these principles in an inclusive way by planning high quality learning experiences which stimulate and challenge our pupils and engage them in their learning.

We use a wide range of approaches to gather good quality evidence of children's progress to effectively track each child's knowledge and understanding, skills, attributes and capabilities in order to fully develop the four capacities. In addition, this evidence of learning enables us to provide detailed information to parents and carers on their child's progress.

Our strategies are applied on an ongoing basis with formative assessment being carried out by the teaching staff in a variety of ways including daily observation, daily written tasks, regular discussion, partnership working with colleagues and other staff members. Teaching staff provide high quality oral feedback to pupils who benefit from individual discussion on their progress. Pupils are fully involved in the evaluation process through self and peer assessment.

In addition to this, more formalised summative assessments are administered throughout the year such as MaLT (Maths Assessment for Learning and Teaching) and GL Reading Assessments. Children in Primary 1, 4 and 7 are also assessed using The Scottish Standardised Assessments (SNSA) which are completed online.

A variety of strategies are employed to track pupil progress including recording each pupil's daily/weekly results in our class assessment folders, gathering and displaying written and photographic evidence for individual and group tasks and activities and recording the results of summative assessments at the end of a topic or level.

## **9.Reporting**

St. Hilary's Primary School recognises that good teamwork among parents, children and schools is the key to a successful education for your child.

Reporting will be ongoing and comprise of a range of activities which can include children presenting their learning, newsletters, and ongoing oral discussions.

We will provide parents with one written report each year so that you can see what your child is doing and how they are progressing. Parents will also have the opportunity to meet with the class teacher twice throughout the school year.

Our learner reports will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements and areas for development so you know what encouragement and support you can give.

Our 'learner reports' will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements, and areas for development so you know what encouragement and support you can give.

We welcome any comments or additional information from parents to help us provide the best possible education for your child.

## 10. Enrolment and Transitions

### Enrolment – how to register your child for school.

To register your child for school you should complete our online registration form. This can be done using the South Lanarkshire website.

[www.southlanarkshire.gov.uk/info/200186/primary\\_school\\_information/392/enrolling\\_your\\_child\\_for\\_school](http://www.southlanarkshire.gov.uk/info/200186/primary_school_information/392/enrolling_your_child_for_school)

If you have any difficulty in identifying your catchment school, please email [Edsuppserv.helpline@southlanarkshire.gov.uk](mailto:Edsuppserv.helpline@southlanarkshire.gov.uk)

The online registration form will ask you to provide each child's full birth certificate and two pieces of recent official documentation both containing your permanent home address for example a utility bill, council tax statement, housing rent card, child benefit documentation.

Proof of where the child lives may also be needed.

If your child is due to start school in August 2026, you can enrol online from Monday 5 January 2026. Your catchment school will contact you between Monday 12 and Friday 16 January 2026 to confirm your enrolment.

If your child attends the nursery of your catchment school, please do not assume that they will automatically be transferred. You must register them as normal at the school that is in the catchment area for your home address.

If parents want their child to go to another school, they must enrol in the first instance with their catchment school and intimate that they wish to make a placing request. An online placing request form should then be completed. This is available from the SLC website – [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk) or by contacting [edsuppserv.helpline@southlanarkshire.gov.uk](mailto:edsuppserv.helpline@southlanarkshire.gov.uk) or phone 0303 123 1023.

### Change of School/Placing Request

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school, then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a 'placing request' is successful then school transport is not provided.

If you move outwith your catchment primary school a 'request to remain form' must be completed. If you move outwith your catchment primary, this may affect your right to transfer to the associated Secondary School. Please note the secondary school is determined by the pupil's permanent home address and chosen denomination. If you require further information, please contact Education Support Services on [edsuppserv.helpline@southlanarkshire.gov.uk](mailto:edsuppserv.helpline@southlanarkshire.gov.uk) or **0303 123 1023**.

### **Transition from primary to secondary school**

Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time on events designed to support P7 children before they move on to secondary school.

## **11. Support for Pupils**

### **Getting it right for every child.**

Getting it right for every child (GIRFEC) supports families by making sure children and young people can receive the right help, at the right time, from the right people. The aim is to help them to grow up feeling loved, safe, and respected so that they can realise their full potential.

Most children and young people get all the help and support they need from their parent(s), wider family, and community but sometimes, perhaps unexpectedly, they may need a bit of extra help. GIRFEC is a way for families to work in partnership with people who can support them, such as teachers.

If you have any concerns about your child's wellbeing, you can speak to the named person who will work with you to provide support and decide how to move forward. Your school will let you know who this is. It is likely to be the Head Teacher in a primary school and a principal teacher (pupil support) in Secondary.

More information can be found on:  
[www.scotland.gov.uk/gettingitright](http://www.scotland.gov.uk/gettingitright)

### **Support for All (Additional Support Needs)**

A statement of the school policy in relation to pupils with additional support needs, including the assistance given to pupils experiencing learning difficulties who do not have a co-ordinated support plan should be given.

The range of additional support for learning catered for, and the specialist services provided along with details on unit(s) and/or class(es) that the school offers.

The number of pupils who have a co-ordinated support plan should be shown. (Where the number of pupils who have a co-ordinated support plan is between 1-4 inclusive, it should not be published in the school handbook).

South Lanarkshire Education Resources have published a series of leaflets available which cover information for parents and carers about the Additional Support for Learning Acts.

In keeping with duties set out in the Education (Additional Support for Learning) (Scotland) Act 2004 (as amended) the guidance states that handbooks should specifically mention Enquire, the Scottish advice service for additional support for learning.

Enquire is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools, and local authorities to ensure children get the right support.

Enquire – the Scottish advice service for additional support for learning

Enquire offers independent, confidential advice and information on additional support for learning through:

## **Attachment Strategy for Education Resources**

### **Attachment – what we do to support children and young people**

South Lanarkshire Council Education Resources is committed to improving outcomes for children and young people by creating emotionally supportive learning experiences in our nurseries and schools.

The Education Resources Attachment Strategy supports the action in the 'Getting it Right for Every Child in South Lanarkshire's Children Services Plan 2021-23', following the launch of the Attachment Strategy in 2020, to provide staff training in Attachment and Trauma based practice.

#### ***What does it set out to do?***

The aim of the strategy is to promote better experiences of attachment for South Lanarkshire's children and young people and to ensure that all education practitioners understand the importance of attachment theory and its application and how positive relationships can make a difference to outcomes.

### **How can I find out more?**

South Lanarkshire Council Education Resources have published a series of leaflets and posters for establishments and for parents/carers which aim to share information on attachment theory and on how this informs the ways in which we support children and young people.

These are available in schools and on the SLC Staff Learning Centre Sway accessible by teachers and staff.

### **Promoting Positive Relationships and Understanding Distressed Behaviour (PPRUDB)**

PPRUDB is South Lanarkshire's framework for understanding and managing behaviour in schools. It emphasises that all behaviour is a form of communication, often indicating unmet needs, and stresses the importance of building positive relationships as a fundamental skill for teachers and a preventive approach to distressed behaviour. The guidance aligns with key Scottish Government policies and legislation and supports the development of safe, inclusive, and nurturing school environments.

Children and young people who feel safe, healthy, respected, and included are more likely to develop self-confidence and resilience. South Lanarkshire Council's attachment-informed, trauma-sensitive approach, aims to create a secure base and safe haven to reduce the impact of adverse childhood experiences. School staff recognise that distressed behaviour can stem from disrupted attachment, anxiety, and other complex needs, including neurodevelopmental conditions and limited communication skills.

When incidents of distressed behaviour arise in schools, staff will use a range of strategies to de-escalate situations and prevent re-occurrence. Strategies include structuring the environment with consistent routines and quiet areas, adapting communication to accommodate speech and sensory needs, and building positive relationships based on shared values. Setting clear limits with dignity, active listening, and inclusive teaching practices support behaviour management. Planning for transitions and using support plans like Additional Support Plans (ASPs) and Behaviour Assessment and Support Plans (BASPs) assist in addressing individual needs.

Each educational establishment should use the PPRUDB framework to develop and implement a relationships and behaviour policy through consultation with staff, pupils, and parents, reviewing it every three years.

Further information is available from the Headteacher of the establishment your child attends.

## **12. School Improvement**

The aim of a School Improvement Plan is to help Head Teachers organise school self-evaluation and plan a programme of activities aimed at sustaining and improving specific aspects of the school's work. It offers a means of organising information about where the school is and where it is going. Formulating the plan encourages and assists staff to take accurate and systematic stock of the schools' current performance, to consider the most effective use of available finance and resources, to think and plan strategically for the phased introduction of new initiatives, to consolidate recent developments and to report on existing practice and performance. In essence, the aim of our School Improvement Plan is to improve the quality of our learning and teaching – it is a process of going forward for the better.

Each session the school and the associated Learning Community formulate Improvement Plans which outline their developmental agenda for the year and their proposed targets of achievement.

The school community is committed to working in partnerships with all stakeholders to ensure we are on a journey of continuous improvement. We have a calendar and system for self-evaluation which allow us to gather the views of pupils, parents and staff in regards to the work of the school. This allows us to identify areas of strength as well as areas for development.

Our school priorities for 2025-2026 are:

**Improvement Priority 1** - Whole school engagement in SLC Improving our Writing initiative

**Improvement Priority 2** - Raise attainment in numeracy and mathematics

A parent guide to School Improvement Plan and Standards and Quality Report can be found on our website and app.

#### **Pupil Equity Fund**

The Scottish Government have introduced The Pupil Equity Fund (PEF) which is money that is allocated directly to schools and targeted at closing the poverty related attainment gap. Every council area is benefitting from Pupil Equity Funding and 97% of schools in Scotland have been allocated funding for pupils in P1-S3 known to be eligible for free school meals. The funding is to be spent at the discretion of the Head Teacher working in partnership with each other and their local authority, with PEF national operational guidance designed to help support those plans.

## **13. School policies and practical information**

### **School/Nursery Meals**

#### **Nursery Class**

All children (over two years old) attending a local authority nursery will be provided with a free lunch. In addition, if your child attends long mornings or afternoons e.g., over 4 hours 30 minutes they will be provided with a 'brunch' or 'afternoon tea'.

Nursery lunches and snacks are based on nutritional requirements from the NHS "Setting the Table" guidance.

Nursery age children will also receive milk and a healthy snack free of charge under the Milk and Healthy Snack scheme 2021. This will be provided by the establishment.

#### **Primary pupils**

Healthy eating is something that the school supports, and a range of meals are available at lunchtime that meet the Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020

For their lunch each day pupils have the option to choose from two hot meal options (one being vegetarian option) plus a sandwich selection everyday.

All meals also come with fresh chilled drinking water, vegetable choice, salad selection, seasonal fruit and depending on the day - soup or a dessert.

Milk will be available for those pupils entitled to free school meals through the free school meal eligibility scheme at morning break or lunchtime.

Pupils in:

Primary 1 - 5 receive a free school lunch.

Primary 6 - 7 meal cost is £2.62

School lunches and milk can be paid for through your Parentpay account or Paypoint facilities in local shops.

**NB** School Meal prices are reviewed annually and may be subject to change

### **Adapted diets**

If your child within Nursery, Primary or Secondary requires an adapted diet for medical reasons please speak to the school/nursery office who will provide the request form for you to complete. In addition, if you have a halal or vegan diet request for your child, please speak to the school office who will provide you with a request form.

### **Free School Meals**

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child:

- Income Support
- Income-based Job Seeker's Allowance
- Income-based Employment and Support Allowance
- Scottish Child Payment (P6 and P7 pupils)
- Support under Part VI of the Immigration and Asylum Act 1999
- Universal Credit (and your earned income is less than £850 as assessed by the Department for Work and Pensions in the assessment period immediately preceding the application for free school meals)

If you are in receipt of Housing Benefit and/or Council Tax Reduction from us there is no need for you to apply online, we will use the information we hold to automatically award free school meals (P6 to S6) and/or school clothing grants (P1 to S6) to eligible families.

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place to ensure anonymity is protected of children who receive free meals and we encourage all children to remain in school at lunch time.

South Lanarkshire Council also offers a free Breakfast service within the school. This is available to all pupils daily from 8.15am. The last entry is 8.35am and pupils should enter through the main entrance to the school.

## **School uniform**

We ask all parents/carers to support the school by encouraging your child(ren) to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of the school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

There are forms of dress which are unacceptable in all schools such as:  
the wearing of football colours

- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco, or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes.
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so.
- footwear that may damage flooring.

St. Hilary's school uniform is:

- black trousers/skirt/pinafore
- white shirt, school tie
- red cardigan/jumper
- plain black trainers or shoes

On P.E days pupils are permitted to wear:

- black joggers/leggings
- red polo shirt

## **Allergies**

Many children in our schools have allergies, and it is crucial for parents to keep the school informed about these conditions.

## **Health Care Plans**

- Allergies can manifest at any time with symptoms ranging from mild to severe.
- Children with moderate to severe allergies often have a Health Care Plan from the NHS, detailing symptoms and interventions.
- Parents must share this plan with the school and provide updates as necessary.

### **Mild Symptoms**

- Even without a Health Care Plan, parents should regularly update the school on any new triggers, medications, or actions required.

### **Employee Training**

- School staff need to know your child's symptoms, treatments, and actions required to prevent exposure and minimise the risk of reactions.
- Employees receive training on allergies and will consult with parents and the NHS for any additional specialist training needed.

### **Policy Adherence**

- In supporting children and young people with allergies, school staff will follow South Lanarkshire Council's Safe Systems of Work, risk assessment process, and national guidance on the administration of medicines.

### **Mobile Device Policy**

Our school follows South Lanarkshire Council guidance on mobile device use, which is rooted in Scottish Government policy. Mobile technology can support learning and communication, but it can also disrupt lessons and affect wellbeing if misused. To maintain a safe, respectful, and inclusive learning environment, pupils are expected to use mobile devices responsibly and in line with school rules.

Devices should not be used during class unless specifically permitted for learning purposes.

We do not encourage the use of mobile devices being brought to school, however, if parents wish for pupils to bring them, they will be stored in the school office during the school day.

The policy has been developed in consultation with pupils, parents, and staff to balance the benefits of technology with the need to minimise distractions and protect privacy. We ask parents to support this approach by reinforcing responsible use at home and ensuring that devices are used appropriately.

### **Support for parent/carers**

#### **Clothing grant**

In certain circumstances the Council provides support to parents/carers for the purchase of school wear. This also now includes nursery children aged 3 and 4 years old.

Eligibility criteria and online applications can be found at [www.southlanarkshire.gov.uk](http://www.southlanarkshire.gov.uk).

### **School hours/holiday dates**

The school day is from 9.00am to 3.00pm.

The pupils have a morning break from 10.30am-10.45am and lunch is from 12.15-1.00pm.

## **School transport**

South Lanarkshire Council's mainstream school transport policy provides transport for primary school pupils who live one mile or more from their catchment primary school by the shortest safe walking route.

More details on school transport can be found at the following link including the online application form:

[https://www.southlanarkshire.gov.uk/info/200186/primary\\_school\\_information/545/school\\_transport](https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/545/school_transport)

If you consider your child to be eligible you should complete the online application form. Forms should be submitted before the end of March for those pupils starting school in August to enable the appropriate arrangements to be made.

A privilege transport scheme is operated on mainstream school contracts where a pupil is not entitled to school transport. Privilege Transport will only be provided where there is a space on an existing school contract and will be from and to designated pick-up and drop-off points. It will not be provided where a service bus is used on the school run.

Any spare capacity will be allocated using agreed priorities.

A new application must be made each year.

More details on Privilege school transport may be found here:

[https://www.southlanarkshire.gov.uk/info/200186/primary\\_school\\_information/784/privilege\\_transport\\_to\\_school](https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/784/privilege_transport_to_school)

## **Pick-up points**

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's distance limit for school transport.

It should be noted that it is the parent's responsibility to ensure their child behaves in a safe and acceptable manner while travelling in, and alighting from, the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request.

## **Insurance for schools – pupils' personal effects**

### **Insurance for Pupils' Personal Effects**

South Lanarkshire Council has noted an increase in claims for loss or damage to pupils' clothing and personal effects. Please be aware of the Council's insurance policy regarding pupils' personal items:

## **Insurance for Pupils' Personal Belongings**

### **Personal Items**

- The Council cannot accept responsibility for the loss or theft of personal belongings, including mobile phones, tablets, or other valuables. These are brought to school at the pupil's and parents' own risk.

- To reduce the chance of loss, please avoid sending expensive or unnecessary items to school.
- School staff are not permitted to look after pupils' personal belongings.
- This policy also applies to musical instruments and equipment used for school activities. If these items are left at school, it is at the pupil's and parents' own risk.
- For valuable items such as musical instruments, parents should make sure they are covered by their own household insurance.

### **Clothing**

- The Council will only consider claims for damage to pupils' clothing if the damage was caused by negligence on the part of the Council or its employees.
- Claims for any other reason cannot be accepted by the Council's insurers.

### **Promoting positive behaviour**

It is the responsibility of staff within the school to ensure that parent council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents, and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline (Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

### **Child Protection**

All staff in educational establishments in South Lanarkshire Council receive an annual Child Protection update and are required to follow the advice and guidance contained within relevant Education Operating Procedures. They must also complete a mandatory Learn on Line Course "Child Protection in Education".

South Lanarkshire's children's services partnership works together to support children, young people, and their families so that children grow up in communities where they are safe, healthy, active, achieving, respected, responsible and included, and have the opportunity to achieve their full potential. They are committed to continuously improve our services to ensure children, young people and their families get the right support at the right time.

Sometimes children and young people need additional help to make sure that they are "*cared for and protected from abuse and harm in a safe environment in which their rights are respected*" (CPC South Lanarkshire Child Protection shared vision). The Child Protection Committee has the overarching responsibility to ensure that agencies individually and collectively work to protect children and young people as effectively as possible.

All staff have a responsibility to report any suspicions that a child has been abused or is at risk of harm, abuse, or neglect. Robust procedures and guidance are in place to support education staff to: -

- be alert to signs that a child may be experiencing risks to their wellbeing,
- report concerns to the head of establishment or the child protection coordinator without delay.
- be actively engaged in support and protection and development of wellbeing.

If you would like more information, or have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Child Protection Committee's website has a range of useful information for parents/carers to help them keep their children safe.

### **Our Commitment to Children's Rights**

In line with the United Nations Convention on the Rights of the Child (UNCRC), our school is committed to respecting and promoting every child's rights. We believe that children have the right to express their views on matters that affect them, and we will actively listen and take these views into account when making decisions.

To achieve this, we will:

- Create opportunities for pupils to share their opinions through class discussions, pupil councils, and consultation activities.
- Ensure that decisions about school policies and practices consider the voice of the child.
- Promote an inclusive, rights-respecting environment where every child feels valued and heard.

This approach supports our aim to empower learners, strengthen partnerships with families, and uphold equality and participation for all.
